

Last month the Berry family was driving home from a family vacation when their car was hit head on. The parents, Robin and Joshua Berry, were killed. The two boys, Peter and Aaron, are paralyzed from the waist down and are currently being treated at a spinal cord hospital in Chicago. The daughter, Willa, broke her arm and leg.

Please come show your support for these children!

Snow Cones to Benefit the Berrys
Friday, August 12th
3:00 - 5:00 pm
845 Edgewater Dr. NW (Riverside neighborhood)
Sandy Springs, GA 30328
